NOTE: All changes below are EFFECTIVE January 1, 2019 unless otherwise noted.

Article Number

Change

Article 301 C 02 b

- b. **Armed Services Teams.** The Women's Armed Services team must play in Women's Class Open Slow Pitch and the Men's Armed Services team **may play in the Men's Class A and/or Class B Slow Pitch.**

Comments: Allows Men's Armed Services to play in Men's Class A and/or Class B Slow Pitch

Article 301 C 02 c 02 c. **Fast Pitch.**

02. In all adult Fast Pitch, no USA Men's National Team Member may participate below the Major level.

EXCEPTION: A member of the USA Junior Men's National Team may participate below the Major level in a National Championship Final. **Non-pitching members on USA Softball Men's National Team may pitch at the Open level, but cannot bat or assume any other defensive position.**

Comments: Allows non-pitching members of the USA Softball Men's National Team to pitch at the Open level, but not bat or play any other defensive positions.

Article 301 C 02 e 02 e. **Slow Pitch.**

02. A restricted slow pitch player list will be compiled by a USA Softball committee representing slow pitch. The restricted slow pitch players list will be available on the USA Softball website and this list will be updated, modified and/or revised on a regular and continuous basis but will be finalized by August 1 each year for the current year's National Championship Finals. Players on the USA Softball restricted slow pitch player's list may only play Class A and Super. Any team that participates in the **Men's** Class A may not have more than **five (5)** players from the USA Softball restricted slow pitch player list. Any appeals regarding this list can be made through the National Office to the slow pitch sub-committee.

Comments: Increases the number of restricted players on a Class A team from three (3) to five (5).

Article 301 D 06

06. **Industrial Qualifications.** Deleted from Code

Comments: Removes Men's Industrial Slow Pitch as a USA Softball National Championship. This also removes Men's Industrial Slow Pitch from Articles 306, 309 and 315

NOTE: All changes below are EFFECTIVE January 1, 2019 unless otherwise noted.

05. **USA Softball Website Posting.**

- a. **Tournament directors must follow** Procedural Manual **Article 105 (D) (14) with regard to posting and** using www.tournamentUSAsoftball.com
- b. **Tournament directors must submit, to the National Office,** an official order of finish and tournament bracket within 24 hours after the conclusion of the tournament.
- c. **Tournament directors** will scan/email the original rosters and official tournament entry forms (completed) to the National Office and the host director for the National Tournament.
- d. Failure to submit paperwork on time will result in assessment fees to be raised from \$15 per team to \$50 per team to be paid to USA Softball.

06. **Master List of Qualified Teams.** The National Office will maintain a master list of all Gold teams who have qualified and accepted berth(s) for the National Championship Finals. Maintaining this list will require each **Tournament Director** to submit **on Monday following the event they have hosted,** a list of teams that qualified **at the event they hosted. Inclusive in the report will be the following:** Team Name, as it appears on their USA Softball Official Tournament Entry Form, Manager's Name including Street Address, City, State, Zip Code and Telephone Numbers.

07. **Notification of Unfilled Berths.** **Tournament directors must advise the Regional VP and Regional Gold Program Administrator immediately if any Gold berth goes unclaimed from the event they hosted. In the event regional berths are not awarded, the following process will be used:**

- a. **Unused berths will be added to the next remaining qualifier scheduled within their respective region. Unused berths will continue to be passed down until all remaining qualifiers within a region have been held.**
- b. **In the event all qualifiers within a region have concluded and unfilled berths remain, the**
